

# Bees Acrostic Poetry

An acrostic is a particular way of writing a poem. They are written using the first letter of each line which then creates a word or phrase going down the page. Each line can then contain a word, phrase or sentence to make up a poem. They can rhyme but they certainly don't have to. Take a look at some examples below and then see if you can create your own using our Acrostic Poem bee worksheets.
